4. Elephant in the room

“

Just 10% of Government contracts had green criteria in 2021

”

EPA
March 28, 2023

Question 1: What are your thoughts on why this is the case?

Question 2: How can we influence the inclusion of sustainable / green criteria in procurement?

Turner & Townsend

5. Call to Action

Sustainable Procurement Call to Action

How can I lead the transformation to a sustainable built environment?

How can I ensure that sustainability is taken into consideration in procurement?

How can I incorporate sustainability into my way of life and live more sustainably?
